

# Breaking News, Mkay?

## Dog breaks into woman's house, woman eats dog

This Monday, a dog broke into a woman's house. The homeowner claimed she was "homeless" and that she hadn't had dog in at least *six*.

I just had the stove goin' so, ya know...

## I Can't Think Of Anything Else

Apparently, the authors of *Austin's News Company* are running out of things to write about. This is unfortunate for the recipients of the non existent ad revenue. Hopefully, later this year, I learn about how I get ads.
